

## On-Line Tracking System Information

### Dear Resident,

If you are registered with a start date of June 1, 2010 or later, you are required to enter patient encounters and complete your requirements on-line using **Typhon Group, an Allied Health Tracking System**. Instructions on how to use the system can be found at [www.ncope.org](http://www.ncope.org) by clicking on Tracking Instructions.

To begin, go to <http://www.typhongroup.net/ncope/> to access **Typhon**. Residents **must** select “Data Entry Log-in”. Your log-in and password will be sent to the email address you provided on your registration form. The email will come from Ms. Robin Seabrook via **Typhon**. If you do not receive an email with log-in information, contact NCOPE for assistance.

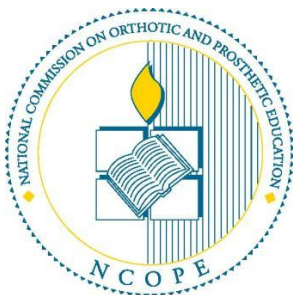

Once you’ve logged in, you will be directed to the “Student Access Fee Payment Screen.” The cost is \$75.00 for a 3-year access period. Fees must be paid by credit card (VISA, MasterCard, Amer. EX, and Discover).

### Dear Residency Director’s & Faculty,
